Rent-A-Hacker

Experienced hacker offering his services!

(Illegal) Hacking and social engineering is my bussiness since i was 16 years old, never had a real job so i had the time to get really good at hacking and i made a good amount of money last +-20 years.

I have worked for other people before, now im also offering my services for everyone with enough cash here.

Prices:

Im not doing this to make a few bucks here and there, im not from some crappy eastern europe country and happy to scam people for 50 euro.

Im a proffessional computer expert who could earn 50-100 euro an hour with a legal job.

So stop reading if you dont have a serious problem worth spending some cash at.

Prices depend alot on the problem you want me to solve, but minimum amount for smaller jobs is 200 euro.

You can pay me anonymously using Bitcoin.

Technical skills:

- Web (HTML, PHP, SQL, APACHE)
- C/C++, Assembler, Delphi
- 0day Exploits, Highly personalized trojans, Bots, DDOS
- Spear Phishing Attacks to get accounts from selected targets
- Basically anything a hacker needs to be successfull, if i dont know it, ill learn it very fast
- Anonymity: noone will ever find out who i am.

Social Engineering skills:

- Very good written and spoken (phone calls) english and german.
- If i cant hack something technically ill make phone calls or write emails to the target to get the needed information, i have had people make things you wouldnt belive really often.
- Alot of experience with security practices inside big corporations.

What ill do:

Ill do anything for money, im not a pussy :) if you want me to destroy some bussiness or a persons life, ill do it!

Some examples:

Simply hacking something technically

Causing alot of technical trouble on websites / networks to disrupt their service with DDOS and other methods.

Economic espionage

Getting private information from someone

Ruining your opponents, bussiness or private persons you dont like, i can ruin them financially and or get them arrested, whatever you like.

If you want someone to get known as a child porn user, no problem.

Product	Price	Quantity
Small Job like Email, Facebook etc hacking	200 EUR = 0.527 B	<input type="text" value="1"/> X Buy now
Medium-Large Job, ruining people, espionage, website hacking etc	500 EUR = 1.317 B	<input type="text" value="1"/> X Buy now
